

Kulkuri App

Now it's even easier to fulfill the Finnish Tax Authorities reporting requirements for construction workers!

Install Kulkuri App for your Android smartphone and record work time directly to veronumero.fi Työmaarekisteri. You may also send work time reports as attachment via email.

- ⊙ Log in with your veronumero.fi credentials (email and password)
- ⊙ Enter your personal data: display name, tax registration number and employer's business registration number
- ⊙ Site list from veronumero.fi Työmaarekisteri is automatically downloaded
- ⊙ Start recording work time with Kulkuri Apps easy Start / Stop / Comment workflow
- ⊙ Easy to adjust start- and stop times in five-minute intervals to fulfill your time reporting policy
- ⊙ Sends time stamps as DAY-records to Työmaarekisteri
- ⊙ Backdate function
- ⊙ Show monthly worktime history report
- ⊙ Email worktime report with attachment for use in Microsoft® Excel™ and other software (.csv file format)
- ⊙ Two color schemes: dark and light for various lighting conditions
- ⊙ Available languages: Finnish, Swedish and English
